

**Troop 3 Summer Camp**  
**July 10 – 18, 2010**  
**Mt. Norris Scout Reservation**  
**Eden Mills, VT**

**Join us for an action packed week in northern Vermont at the Mt. Norris Scout Reservation!**

Camp activities include waterfront with both swimming and boating, nature studies, scoutcraft, climbing & rappelling, crafts, and shooting sports. This is a great opportunity for advancement... with a lot of fun along the way. There will be a special program for those new to Scouts – giving those boys a great start along the Scouting trail.

In addition to the camp activities, we will be taking a steamboat ride on Lake George on the way up, visiting Fort Ticonderoga on the way back, and hiking to the highest point in Vermont (along with a side tour of the Ben & Jerry’s Ice Cream factory) during mid-week.

With all of these activities, how can you go wrong? There is something for every age Scout.
